

BASIC WILDLAND FIRE SUPPRESSION ORIENTAION (Rookie Class)

The S-110 (fire crew orientation) is scheduled for **Saturday, June 21st** at the **Tilton/Northfield fire station**. The class starts at the downtown fire station at 8:00 a.m. and will conclude at the Park Street fire station approximately 6:00 p.m.

PLEASE NOTE:

Candidates will need to R.S.V.P. with Jen Roy at 603-271-2214 or by email at jroy@dred.state.nh.us

New candidates will need to have three letters of reference to Chief Simpkins no later than May 30th. As a reminder, one letter needs to be from the town Forest Fire Warden, one from the district Forest Ranger, and one from a third party indicating the suitability of the candidate for a fire crew assignment.

All new candidates must have certificates in to the Forests and Lands office to show that they have completed S-130, S-190, I-100, L-180 and FEMA IS-700.

Candidates from out-of-state will be accepted provided they meet the training criteria and instead of the letters mentioned above one letter must be from that state's Forest Fire Supervisor along with two other third-party letters of reference by the May 30th deadline.

Finally, fire crew veterans will be welcome to attend (no reference letters needed) as the day includes the full RT-130 safety refresher and a work capacity test.
